**Minutes of the 4<sup>th</sup> Meeting of the Tender Evaluation Committee (TEC)  
(For Tender of the Ken–Betwa Link Canal)**

The fourth meeting of the Tender Evaluation Committee (TEC) for the Ken–Betwa Link Canal was held on 06.04.2026 under the chairmanship of the Chief Executive Officer (CEO), Ken–Betwa Link Project Authority (KBLPA), at Bhopal, in hybrid mode. The meeting was convened to examine the compliances of the decisions taken in the 3<sup>rd</sup> TEC meeting. The list of participants is appended as Annexure I.

**Compliance of decisions taken in the 3<sup>rd</sup> TEC meeting**

1. The TEC was informed that all the decisions taken in the 3<sup>rd</sup> TEC meeting have been incorporated in the Tender Document and the modified Tender Document was circulated to TEC members on 31.03.2026.
2. The TEC after detailed deliberation decided to modify the Clause 3.1.1 of Vol 0: ITB as below: -

**Existing Clause:**

*“The lead bidder (Sole Contractor or collectively in case of the Joint Venture) should have successful experience as Sole Contractor or Partner of the JV or sub-contractor approved by the employer of having successfully or substantially completed, during last 20 years, either of the following works:*

- i. Major components of three Water Resources/ Hydropower / Highway projects with cost of executed works not less than ₹ ,, ,,, ,,, ,,, Crores (exclusive of GST) each OR
- ii. Major components of two Water Resources/Hydropower/ Highway projects with cost of executed works not less than ₹ ,, ,,, ,,, ,,, Crores (exclusive of GST) each OR
- iii. Major components of one Water Resources/Hydropower/ Highway projects with cost of executed works not less than ₹ ,, ,,, ,,, ,,, Crores (exclusive of GST) ”

**Modified Clause:**

*“The bidder (Sole Contractor or collectively in case of the Joint Venture) should have successful experience as Sole Contractor or Partner of the JV or sub-contractor approved by the employer of having successfully or substantially completed, during last 20 years, either of the following works:*

- i. Major components of three Water Resources/ Hydropower / Highway projects with cost of executed works not less than ₹ ,, ,,, ,,, ,,, Crores (exclusive of GST) each OR
- ii. Major components of two Water Resources/Hydropower/ Highway projects with cost of executed works not less than ₹ ,, ,,, ,,, ,,, Crores (exclusive of GST) each OR
- iii. Major components of one Water Resources/Hydropower/ Highway projects with cost of executed works not less than ₹ ,, ,,, ,,, ,,, Crores (exclusive of GST) ”

3. The TEC after detailed deliberation decided to modify the Clause 3.4 of Vol 0: ITB as below:

**Existing Clause:**

*“The bidder solely, through a Joint Venture Partner or through the sub-contractor shall be required to have an experience in:*

- i. **Lead Bidder should have completed at least one canal with at least 2 CD structures of cross-section not less than .... sqm OR canal discharge not less than .... Cumecs in preceding 10 years AND at least one canal syphon/ aqueduct/ syphon-aqueduct/super**

*passage of from one or more canals having canal design discharge not less than .... Cumecs in preceding 10 years.*

*Design and Engineering of at least one major concrete bridge of IRC Class AA loading and*

*Experience of Construction of at least one RCC Box of inner sizing of minimum 9 sqm and minimum collective length of RCC Box should be 1.5 Km in irrigation/ infrastructure projects but necessarily including at least a length of 250 m in a single stretch.”*

**Modified Clause:**

*“The bidder solely, through a Joint Venture Partner or through the sub-contractor shall be required to have an experience in:*

- i. **Planning, Design and Engineering of at least one canal with at least 2 CD structures of cross-section not less than .... sqm OR canal discharge not less than .... Cumecs in preceding 10 years AND at least one canal syphon/ aqueduct/ syphon-aqueduct/super passage of from one or more canals having canal design discharge not less than .... Cumecs in preceding 10 years.***

*Design and Engineering of at least one major concrete bridge of IRC Class AA loading and*

*Experience of Construction of at least one RCC Box of inner sizing of minimum 9 sqm and minimum collective length of RCC Box should be 1.5 Km in irrigation/ infrastructure projects but necessarily including at least a length of 250 m in a single stretch.”*

The above changes are to be incorporated in the tender documents of Package – I & II.

4. Further, the TEC unanimously decided that the draft Tender Documents stands finalized subject to the incorporation of the above modifications and may be submitted for the approval of the competent authority.

The matter regarding the Forest clearance, MoTA clearance and Environment Clearance was also discussed in detail. Since the overall forest land requirement has been reduced from 190.50 Ha to 158.25 Ha due to the revised alignment and does not involve diversion of additional forest land beyond the approved extent, fresh forest clearance under the Forest (Conservation) Act, 1980 is not required as per the Condition No. 12 of the Stage – II Forest clearance received for the entire Ken-Betwa Link Project.

The TEC suggested that MoEF & CC may be intimated separately regarding the reduction in the Forest Area requirement due to re-alignment of Ken-Betwa Link Canal whenever submitting report on Environmental compliances.

The meeting concluded with a vote of thanks to the Chair.

**Annexure-I****List of participants in 4<sup>th</sup> Meeting of the Tender Evaluation Committee (TEC) for the Tender of the Ken–Betwa Link Canal, held on 6<sup>th</sup> April 2026 at 16:30 hrs. in Hybrid Mode in Bhopal**
