प्रधान मुख्य वन संरक्षक (व.प्रा.), म.प्र.

**Proceedings of 1<sup>st</sup> Meeting of Greater Panna Landscape  
Council on Dated 05.09.2023 at Mantralaya,  
Vallabh Bhawan, Bhopal**

**Background:**

Integrated Landscape Management Plan (ILMP) for Greater Panna Landscape, involving total 11 Districts (08 districts of Madhya Pradesh and 03 districts of Uttar Pradesh), has been prepared by Wildlife Institute of India, as per the direction of National Tiger Conservation Authority (NTCA), Government of India. Based on a Memorandum of Understanding (MoU) signed by Madhya Pradesh Forest Department, Uttar Pradesh Forest Department, National Water Development Agency, Wildlife Institute of India and National Tiger Conservation Authority. The ILMP has focused on various concerns raised by different agencies/conservationists/stakeholders and has a timeline of 10 years (2023/24 to 2032/33) with total estimated budget of Rs. 3186 Crores. As per the order of Government of India, the ILMP is to be executed under the guidance of Greater Panna Landscape Council (GPLC) under the chairmanship of Chief Secretary, Madhya Pradesh. The first meeting of the Greater Panna Landscape Council (GPLC) was held on 5<sup>th</sup> September 2023 Secretariat, GoMP, Vallabh Bhawan, Bhopal, Madhya Pradesh, under the chairmanship of Chief Secretary, Madhya Pradesh. List of participant is enclosed in Annexure I.

**Agenda:**

The following were the agenda for the meeting:

1. Approval of ILMP for implementation of ILMP from 01 October 2023 (10 years)
2. Approval of budget allocation and release strategy for ILMP
3. Approval for establishment and fund for Integrated Research and Learning Centre (IRLC)
4. Approval of proposal of constitution of District Landscape Committee (DLC)
5. Release of Toolkit and One Health Management Plan (supplementary documents)

6. Comments from other line agencies
7. Any other items with the approval of Chair, GPLC

**Deliberations:**

Shri Satyanand, APCCF (WL) provided the context and background of the Ken Betwa Link Project (KBLP) and ILMP. He also briefed the mandates and financial provisions of the GPLC.

Thereafter, Dr. K. Ramesh, Scientist-F, Wildlife Institute of India, and the Principal Investigator of the Panna Landscape Management Plan project, made a detailed presentation on ILMP. The Chairman sought further information on human-tiger conflict and threats to vultures.

Shri R.K. Gupta, PCCF & HoFF, Madhya Pradesh desired to know if some of the recommendations on community reserve/conservation reserve have been identified, for which, Dr. K. Ramesh responded that these sites have not only been identified, but have also been mapped.

Shri Aseem Shrivastava, the PCCF (WL) & Chief Wildlife Warden, Madhya Pradesh sought to implement the ILMP activities as soon as possible, with specific budget release until March 2024.

Mr. Bhopal Singh, Director General, National Water Development Agency (NWDA) suggested to form small groups consisting of representatives from Forest Department, Wildlife Institute of India, NWDA, and other concerned implementing authorities to implement ILMP. He also requested to Dr. K. Ramesh and his team to develop short-film on ILMP.

Mr. Manoj Singh, ACS Forest, Environment & Climate Change Government of Uttar Pradesh shared the actions taken for the project in U.P. and mentioned that the Uttar Pradesh has already notified the area near Panna TR as Ranipur Tiger Reserve. While desiring to work with Madhya Pradesh for adjoining buffer area, he assured all support for implementation of ILMP.

The Chairman highlighted the opportunities to put in place a practical model for landscape management and reiterated strongly that the Integrated Research and Learning Centre (IRLC) should be the driving force of the ILMP implementation. IRLC should be developed with the highest global standards in all aspects, with sufficient budget provision and should also develop Annual Action Plans. Further, the chairman suggested that the IRLC should also act as Secretariat for GPLC. The Chairman directed that an exclusive meeting on IRLC should be convened as soon as possible, wherein the details of structural and functional roles, budget estimates for IRLC would be placed for approval and follow up actions. The Chairman appreciated the dedicated efforts by Wildlife Institute of India (WII) for preparing such comprehensive ILMP, the nature and output of which is rarely seen. He desired that Wildlife Institute of India should be associated with IRLC during the implementation of ILMP. He also desired that regardless of Ken-Betwa linking project, the ILMP implementation be given priority in view of significance of tiger and vulture populations in the region. He advised that all concerned should ensure implementation of ILMP with full involvement and make this a successful landscape development model.

**Actions/Approval:** Based on the deliberations and suggestions during the meeting, the following decisions/recommendations were taken/made by the GPLC -

**Agenda 1.1 : Approval of ILMP for implementation from 01 October 2023**

- 1.1.1 The Council approved the Integrated Landscape Management Plan for Greater Panna Landscape (of 10-year period) and recommended to implement the plan with effect from 1<sup>st</sup> October 2023.  
(Action: all concerned).

**Agenda 1.2: Approval of budget allocation and release strategy for ILMP**

- 1.2.1 The Council in-principle approved the total budget outlay of Rs. 3186 Crores for ILMP implementation and this includes Rs. 150 crores for IRLC. Ken Betwa Link Project Authority

will provide the necessary fund for ILMP activities in PTR including establishment and functioning of IRLC. Other financial requirements to be leveraged from CAMPA and other relevant funding opportunities with the line departments.

**(Action: KBLP Authority and other concerned).**

1.2.2 A committee consisting of APCCF (Wildlife), Madhya Pradesh Forest Department, Dr. K. Ramesh, Scientist-F, Wildlife Institute of India, Field Director, Panna Tiger Reserve and a representative from National Water Development Agency/KBLP Authority, will prepare the budget allocation and release strategy based on priority actions, in line with ILMP.

**(Action: all concerned).**

1.2.3 The Council approved release of Rs. 5 crores to Field Director, PTR for the period 1<sup>st</sup> October 2023 to 31<sup>st</sup> March 2024 for initiating the following ILMP activities:

- (a) Engaging professionals/consultants (including proven architects, engineers and environmentalists) for designing and preparing DPR for IRLC.
- (b) Conducting district level workshops on ILMP involving all line agencies.
- (c) Production of short-film on ILMP which will also serve as knowledge product.
- (d) Initiating activities in PTR related to conservation of Tiger, Gharial and Vulture.

**(Action: KBLP Authority, District Administrations, WII and PTR)**

**Agenda 1.3 : Approval for establishment and fund for Integrated Research and Learning Centre (IRLC)**

1.3.1 The Council recommended immediate action to establish Integrated Research and Learning Centre (IRLC) in Panna District. A separate document with structural and functional details including environment friendly and indigenous building plan should be placed as soon as possible to GPI.C.  
**(Action: all concerned).**

- 1.3.2 The required revenue land for IRLC (approx. 10 acres) should be identified near Panna Tiger Reserve in consultation with Wildlife Institute of India and Field Director, Panna Tiger Reserve at the earliest and the land should be transferred and mutated to the IRLC for the exclusive purpose. (**Action: District Collector, Panna**).
- 1.3.3 A sub-committee of GPLC involving members from MP Forest Department, Wildlife Institute of India, Panna Tiger Reserve and KBLP Authority will work on the DPR for IRLC by engaging professionals. The DPR would be placed before GPLC at the earliest for approval. (**Action: Wildlife Institute of India, Panna Tiger Reserve and KBLP Authority**).
- 1.3.4 The Council approved IRLC to be the Secretariat of GPLC and IRLC would provide the necessary leadership for the functioning and implementation of ILMP. (**Action: Member Secretary, GPLC**).

**Agenda 1.4 : Approval of notification of District Landscape Committee (DLC)**

- 1.4.1 The Council approved the constitution of District Landscape Committee (DLC) in each district covered under ILMP including in the State of UP State as under;

District Collector,	Chairman
Dy Director/Divisional Forest Officer,	Member Secretary
Head of Line Agencies,	Member
Stakeholder Representatives	Invited Members (as required)
Professionals/Experts	Invited Members (as required)
Coordinator from IRLC	Member

(**Action: ACS Forest M.P.**).

**Agenda 1.5 : Release of Toolkit and One Health Management Plan (supplementary documents)**

1.5.1 The Tool Kits, which are supplementary documents, for Tiger Conservation Plan, Vulture Conservation Plan, Crocodilian Conservation Plan, Biodiversity Conservation Plan, Community Engagement Plan and One Health Plan were released. These would be used for ILMP implementation in the field.

**Agenda 1.6 : Comments from other line agencies**

1.6.1 No comments were received from any line agencies.

**Agenda 1.7 : Any other items with the approval of Chair, GPLC**

1.7.1 No other agenda was proposed to the Chair.

The meeting ended with vote of thanks.
