Ken Betwa Link Project Authority
Road Map of Phase I & Phase II Activities

WBS	Work	2025-2026				2026-2027				2027-2028				2028-2029				2029-2030				2030-2031			
		Apr-Jun	July - Sep	Oct- Dec	Jan- Mar	Apr-Jun	July - Sep	Oct- Dec	Jan- Mar	Apr-Jun	July - Sep	Oct- Dec	Jan- Mar	Apr-Jun	July - Sep	Oct- Dec	Jan- Mar	Apr-Jun	July - Sep	Oct- Dec	Jan- Mar	Apr-Jun	July - Sep	Oct- Dec	Jan- Mar
0	**Mobilization of Contractors**																								
1	**Daudhan Dam Complex**																								
1.1	Topographical Survey & Geotechnical Investigation and Approval																								
1.2	Infrastructure & Major Works Design & Drawings and Approval																								
1.3	Erection & Commissioning of Batching Plants, Crushing Plant etc.																								
1.4	Infrastructure works (Roads, Colonies, Contruction Power etc)																								
1.5	Permission for 33KV line in Forest Zone																								
1.6	33 KV Transmission Line Laying																								
1.7	Diversion works including cofferdams - Phase 1, Phase -2 & Phase-3																								
1.8	Concrete Dam Foundation Excavation																								
1.9	Dam Concreting																								
1.10	Earthen Dam - Cutoff Trench Excavation & Filling																								
1.11	Earthen Dam - Embankment Construction																								
1.12	Approach Channel & Upper Level Tunnel excavation																								
1.13	Upper Level Tunnel Lining & Balance Civil Works																								
1.14	Approach Channel & Lower Level Tunnel excavation																								
1.15	Lower Level Tunnel Lining & Balance Civil Works																								
1.16	S.S excvation and Concrete Lining																								
1.17	Design, Manufacturing, errection and commissioning of HM Works																								
1.18	Miscellaneous works																								
1.19	Initiation of Reservoir Filling Activities																								
2	**Environment and R&R Activities of Daudhan Dam**																								
2.1	Submission of final DPR of IRLC by WII (Implementation plan of ILMP as per IRLC DPR)																								
2.2	Approval of DPR of IRLC by GPLC																								
2.3	Tree enumeration and cutting(by PTR/GOMP)																								
2.4	R&R Implementation(by GOMP)																								
3	**Ken Betwa Link Canal**																								
3.1	Approval of Final Canal alignment by CWC																								
3.2	Prepration & Finalisation of Draft Tender Document as per Approved alignment(KBLPA/TAG)																								
3.3	TEC Examination and Recommendation																								
3.4	Submission of Final Draft Tender to the Ministry for Approval																								
3.5	Approval of the Tender Document																								
3.6	Issue of NIT																								
3.7	Prebid Conference and Clarifications																								
3.8	Submission of the Bids by the bidders																								
3.9	Examination of Technical Bids by TEC and recommendation																								
3.10	Opening of Financial bids and recommendation of award to the Ministry																								
3.11	Approval of the Ministry																								
3.12	Issue of LOA(subject to 80% of acquisition of land by GoMP & GoUP)																								
3.13	Preparation & Submission of LA case online under Section-11,19 & 21 and persuation up to awrad																								
3.14	Land Acquisition & Payment of R& R compensation																								
3.15	Mobilization of Contractors																								
3.16	Handing Over site to Contractors																								
3.17	Construction of canal sections & Canal Structures																								
3.18	Testing & Commissionng of canal sections & structures																								
4	**Projects of GoUP**																								
4.1	Pailani Barrage+B54:B79																								
	- E tender and start of works

	- Construction works, testing & Commissioning																							
5.2	Banda Barrage																							
	- E tender and start of works																							
	- Construction works, testing & Commissioning																							
5.3	Repair & Renovation of Tanks and their connecting canals in Mahoba																							
	- E Tendering																							
	- Award of Works and commencement																							
	- Construction works, testing & Commissioning																							
5.4	Development of New Command Area in Mahoba District																							
	- E tender and start of works																							
	- Construction works, testing & Commissioning																							
5.5	RRR(Repair, Rehabilitation, & Renovation) of Bariyarpur PUW, Parichha Weir and Baruasagar Dam																							
	- E tender and start of works																							
	- Construction, errection, testing & Commissioning																							
6	**GoMP New Projects**																							
6.1	Bariyarpur Left Bank Canal of MP																							
	- E tender and start of works																							
	- Construction works, testing & Commissioning																							
6.2	Panna and Hatta LIS Alternate																							
	- E tender and start of works																							
	- Construction works, testing & Commissioning																							
7	**GoMP Project - Kotha Barrage**																							
7.1	Construction of Canal Works																							
8	**GoMP Project- Bina Complex**																							
8.1	Construction of Madia Powerhouse (21 MW)																							
8.2	Construction of Dehra Dam, Semraghat Weir and Dehra Power house 94MW)																							
8.3	Chakarpur Barrage - Construction of pressurized micro-irrigation system(PPMIS)
